PAPER PUBLISHING

Original, previously unpublished
4, 6 pages contributions are expected
(in special cases longer paper will be
accepted but an additional fee of €10/page will
be charged). Papers should concentrate on recent
results.

The extended version of selected papers will be
published in "Revue roumaine des sciences techniques"
and 'Journal of Military Technology'.

REGISTRATION FEES

The standard registration fee is €400 (€200 for students)
for the first paper. Authors from developing nations are eligi-
ble for a preferential rate of €250. IEEE members benefit
from a 10% discount when completing online payment.
Each registered author may submit up to two papers, with
an additional fee of €100 applicable for each accepted
paper beyond the first.

The registration fee includes access to the conference
proceedings, exhibition, scientific sessions, and social
events.

SPECIAL SESSIONS/WORKSHOPS

The special session/workshops proposals will be sent to
the chair along with a short description and the title and ab-
stract of at least 5 proposed paper. The special session
